Tucked away is one of the most peaceful settings, just minutes away from Olds. This beautifully maintained custom home offers a rare combination of privacy, craftsmanship, and flexibility. Backing directly onto the Olds Golf Club and sharing a large, tranquil pond with the course and a neighbour, the property delivers serene views and quiet living year-round.

The heart of the home welcomes you with vaulted ceilings and an open-concept design that captures the natural beauty of the south-facing backyard. The kitchen, dining, and living areas flow seamlessly together, anchored by a gas fireplace and direct access to the elevated back deckâ€”perfect for enjoying warm evenings overlooking the water. A spacious butler pantry with a second sink and ample storage sits just off the kitchen, ideal for keeping the main space neat and functional.

The main floor features a large primary suite with a sitting area, walk-in closet, and an ensuite with a jacuzzi tub. A second bedroom and full bath complete the main level.

Downstairs, the walkout basement has in-floor heat and offers a generous family room with a wood-burning fireplace, a full wet bar, and access to a private ground-level patio.

There's also a den/theatre room, a sewing or craft room (easily convertible to an office or guest room), a full laundry room with a sink, a 4-piece bath, and a third bedroom—perfect for accommodating family or guests.

One of the most impressive highlights of this property is the detached 31' x 31' oversized heated garage and workshop. With tall ceilings, built-in shelving, workbenches, and extensive lighting, it's a dream space for any hobbyist or tradesperson. Attached to this garage is a bright and comfortable 600 sq.ft. (illegal) one-bedroom suite, complete with its own kitchen, living room, 4-piece bath, bedroom, and even in-suite laundry—ideal for extended family, guests, or workspace flexibility.

The yard is a showpiece in itself. Professionally landscaped with mature trees, vibrant perennial beds, fruit trees, and flowering shrubs, it attracts a wide variety of birdlife—including a family of hummingbirds that returns each year. The shared pond is well set back from the green, offering both natural beauty and privacy. It also features an aerated fountain that enhances the peaceful atmosphere through the warmer months.

Located just minutes from all amenities in Olds and with quick access to Highway 2, this home offers a quiet retreat with unbeatable convenience. Whether you're an avid golfer, a nature lover, or someone who appreciates a well-built home and exceptional outdoor space, this property delivers it all.
