Silverado, Calgary, Alberta

Welcome to your beautifully reimagined estate home in Silverado, one of Calgary's most coveted communities where upscale living meets the quiet beauty of nature. Backing directly onto a tranquil pathway and surrounded by mature landscaping, this former Augusta Fine Homes show home offers over 4,450 sq. ft. of exquisitely finished space, with 4 bedrooms, 2.5 bathrooms, and a walkout design that blends luxury with everyday livability.

This is a home that makes a statement from the moment you step through the door—soaring 16-foot ceilings, expansive windows, and a newly refinished feature fireplace set the tone for the elegance that carries throughout. The main level has been extensively updated with wide-plank flooring, fresh designer paint, and thoughtful touches that elevate each room while maintaining a warm, welcoming feel.

The kitchen is a true showpiece—fully renovated and outfitted with Sub-Zero, Wolf, and Asko appliances, a gas cooktop, ceiling-height custom cabinetry, and a striking leathered stone island that anchors the space beautifully. A sunlit breakfast nook overlooks the serene backyard, while the formal dining room—with vaulted ceilings—is made for hosting with style.

The primary suite is tucked away for privacy and feels like a true retreat, featuring a spa-inspired ensuite with an air-jetted tub, glass shower, and walk-in closet with direct access to the upper deck.

On the lower level, the fully finished walkout offers the perfect extension of the homeâ€™ideal for entertaining or multi-generational livingâ€™with a large family room, wet bar, games area, and three additional bedrooms.

Step outside to your professionally landscaped backyard oasis, complete with irrigation, lighting, and thoughtful design details that create year-round comfort and beauty. Whether you're enjoying a quiet evening under the stars or hosting a summer gathering, this outdoor space is something truly special.

Additional highlights include in-floor heating, central A/C, hot tub, and a stunning spiral staircase that leads down to the lower patio. The oversized triple garage features heated floors and 14-foot ceilings, offering incredible storage and workspace flexibility.

Silverado is a community known for its peaceful surroundings, access to nature, and proximity to Spruce Meadows, top-rated schools, shopping, and major roadwaysâ€™making it easy to head downtown or escape to the mountains.

This is more than just a homeâ€™itâ€™s a lifestyle. One that rarely becomes available in this location.
