6 Bedroom, 3.00 Bathroom, 1,328 sqft
Residential on 0.13 Acres

Maple Ridge, Calgary, Alberta

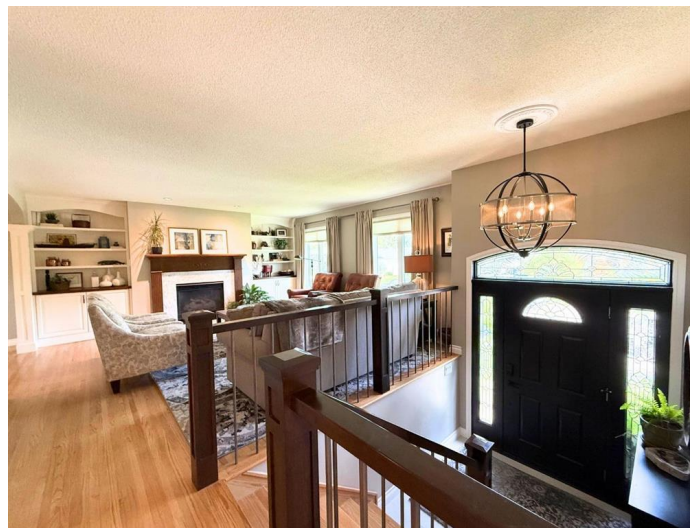

The door swings open, and the house takes your breath before you can even exhale. Light catches the marble-inspired porcelain tile, gleaming like water under the moon. Above you, a chandelier spills diamonds of glass and gold, declaring what this home already knows: youâ€™ve arrived somewhere extraordinary.

Everywhere you look, elegance whispers. The living room unfolds in sunlight through expansive windows, the fireplace framed in marble flickering with warmth and promise. Custom shelves stand ready for your stories, your treasures, your life.

The dining enclave invites company to linger, laughter drifting into a chefâ€™s kitchen built for more than cooking â€“ built for memories. Stainless steel appliances gleam. An oversized island waits for late-night conversations. And the bay window, wide and welcoming, frames the deck beyond â€“ morning coffee steaming in your hand, evening stars burning above.

Retreat to the primary suite, where private doors open to fresh air and stillness. Two more bedrooms and a spa-finished bath complete this level, each detail meticulously crafted, closets lined with custom shelving that turns organization into art.

Downstairs, the story continues. A second fireplace crackles in the family room â€“ the perfect stage for movie nights that never end too soon. Three additional bedrooms transform with ease into guest retreats, a home office, or

your own fitness space. Every bathroom glistens in marble-inspired porcelain and granite, tying every moment back to sophistication.

And the garage? Heated, epoxy-floored, and finished with built-in storage – order, beauty, and function seamlessly combined.

Outside, the deck stretches wide, ready for barbecues or still evenings when the only sound is wind in the trees and the steady rhythm of your own heartbeat.

This is more than a home. It’s a rare promise of luxury, comfort, and timeless style – all within reach of the schools, shops, and recreation you need.
